Manager-Appointee Pleads for Chance For County Charter

Budget Ideas Gained
By Ex-Redwood City
Government Head

STUDIES MADE

Visits to All But Three
States in Country
Are Enjoyed

Having gained a nation-wide view of county government, "glad to be back" and "ready to get to work immediately," Ernest A. Rolison, county executive appointee who terminated a cross-country automobile trip Monday night, looks forward to the opportunity to do the best he can towards giving San Mateo county "good government."

Natally attired in a gray suit and gleaming tan shoes, the future county manager who will serve as budget director until he can assume the post now held by Walter T. Kellogg upon the expiration of the latter's term, May 29, said:

"I will try not to disappoint my supporters."

GLAD TO BE HOME

With him as he answered reporters' questions was Mrs. Rolison, his "navigator" on the long auto trip which took the pair

through the south, through Texas and Arizona, and then to Palm Springs, Pasadena and "home."

"And we're certainly glad to get home," Mrs. Rolison said.

They both agreed that the opportunity given them to see all but three of the states while Rolison, former Redwood City city manager, was serving as an engineer on the Rural Electrification Administration, with headquarters in Washington, had proven to them more than ever "that California is the place to live."

Rolison stopped joking with reporters when the subject of charter amendment petitions was brought up.

DECLIES CHARTER MOVE
Declaring that he knew very little about the petitions, which seek to make the executive and five other county offices elective, he said nevertheless:

"It doesn't look like a dissatisfied candidate ought to be allowed to do that."

The petition movement was set underway by Frederick Peterson, former Burlingame assemblyman who withdrew from the county manager race at the same time that he announced the petition move. Peterson charged that the board of supervisors was "making fools" out of candidates for the office by interviewing them when

they had already made up their mind to name Rolison.

SHOULD CONSIDER CHARTER

"If people want the charter, they should stick by its provisions," Rolison declared.

"If the people want the charter changed, then rather than disassemble it by subterfuge, it would be better to repeal it entirely."

"If the petition move ends successfully, then the county manager plan of government cannot function."

"I intend to do the best I can to see that the county government is properly administered, and I believe that if the people know they are going to get the charter properly administered, then they won't want a change," Rolison stated.

TO DO BEST POSSIBLE

"I intend to do the best I can," he answered when asked what his plans were.

"First, I am going to get my feet on the ground. I intend to let nature take its course until we can get things going."

Peterson's charter amendment move, which would make the manager and five other officials elective, was reported today by Evans A. Fletcher of Redwood City, one of the sponsors in this area, to have gained more than the required 3500 valid signatures needed to call an election on the move.

Rolison pointed out that his work as REA engineer had brought him into close contact with county governments throughout the Middle West and East.

He has made a special study of the Henrico county government—the Virginia county in which Richmond is located—and also of Arlington county, adjacent to Washington, D. C.

These counties are two of seven in the United States which have the manager form of government. Rolison said that at Charlotte, N. C., he studied a budget control system which keeps a day-to-day balance of funds in each county department's budget.

The Rolisons had not planned to arrive until tomorrow. Mrs. Rolison blamed her husband's perpetual desire for punctuality for their early arrival. He, however, said that it was his wife's fine "navigation" which brought them through ahead of schedule.

The Rolisons spent their first night "home" at the Palo Alto residence of Mrs. Rolison's sister, Mrs. Nelle Barber, 310 Ramona street. Today they hoped, however, to move back into their old apartment at 1 Duane street.

MENLO PARK WATER VOTE TO BE ASKED

Hetchy Supply Sought
As Petitions Out
For District

Petitions asking that an election be held on the question of forming a municipal water district will be circulated in Menlo Park and adjacent unincorporated territory.

The petitions, addressed to the San Mateo board of supervisors, outline a projected water district that includes all of Menlo Park and extends southwesterly to the Alameda de las Pulgas and southeasterly to take in most of Menlo Oaks, St. Patrick's Seminary, and the United States Veterans' Administration Facility.

Carefully avoided by the planners of the district is any intrusion upon the area served by the Ravenswood and East Palo Alto water districts or into the corporate limits of the City of Atherton.

The petition was drafted by James T. O'Keefe Jr., Menlo Park city attorney, and approved last night by the Menlo Park Citizens' Committee. Signatures equivalent to 10 per cent of the vote cast at the 1934 gubernatorial election must be obtained.

According to J. H. Sullivan, chairman of the citizens' committee, the proposed municipal district will distribute water through a Hetchy Hetchy main running from Redwood City to Mayfield, the cost of which the City of San Francisco has agreed to undertake.

If the water district is successfully formed, negotiations for purchase of the California Water Service Company's local pipes may be undertaken, Sullivan said.

CCC Requirements For Boys Relaxed

Relaxation of CCC entry requirements were announced today by W. Frank Persons of the United States Labor Department, through the California State Relief Administration and Mary E. Fisher, San Mateo county selecting agent.

The ruling that all former CCC enrollees "must have served a minimum of four months in their previous enrollment to be eligible for reselection" has been revoked in order to accommodate hundreds of applicants who had reapplied recently but were barred because of the restriction.

STUDIED BUDGET CONTROL
Rolison said that at Charlotte, N. C., he studied a budget control system which keeps a day-to-day balance of funds in each county department's budget.

The Rolisons had not planned to arrive until tomorrow. Mrs. Rolison blamed her husband's perpetual desire for punctuality for their early arrival. He, however, said that it was his wife's fine "navigation" which brought them through ahead of schedule.

TREE PLANTING, HARBOR FESTIVAL WIN APPROVAL

Two community projects sponsored by Redwood City organizations won tentative approval of the city council Monday. One was the planting of trees along Bayshore highway to beautify that thoroughfare. The other was the holding of a three-day festival over Labor Day to celebrate completion of Redwood City's harbor.

The harbor fete, sponsored by Corp. James Lindsay Wilson Post, Veterans of Foreign Wars, was urged before the council by Frank A. DePatta, chairman of the veterans' committee.

He proposed that the council underwrite the festival to the extent of \$1000, explaining that it was planned to stage a celebration which would include some revenue-producing features such as a queen contest. He said his committee had tentatively selected Labor Day week-end, date of the annual Sea Scout Regatta here, as time of the celebration. He urged that Fred Carlisle of Burlingame, who has handled county fiesta pageants, be secured to organize and direct one here.

On suggestion of Councilman James M. Eva, with motion of Evans A. Fletcher and second of William Hohn, it was agreed that Mayor Paul A. McCarthy appoint a committee to work with the V.F.W. committee on the festival. On the committee are to be two councilmen, two port commissioners and City Manager Dimmitt. Fletcher was named chairman, with other appointments to be made later. Details of a celebration will be considered by the committee, which will report back to the council, which will then consider underwriting the event.

Representing the Lions Club committee on beautification of the city, L. E. Wolbert, chairman, presented to the council plans to plant redwood trees and shrubbery along the Bayshore within the city limits. The club, Wolbert said, would buy the trees and white stakes to support them, and also aid in planting them, if the city would give them care and water.

Under the Lions Club plan, which bears approval of County Agricultural Commissioner Max J. Leonard and State Highway Commission Arboriculturist E. S. Whitaker, the trees would be planted in groups of two and three, instead of being planted at regular intervals.

Approximately 161 redwoods would be planted, in addition to shrubbery, Wolbert said. Experts have assured him that the trees would thrive despite salt water conditions nearby, Wolbert told the council.

Consensus of the council was that the plan was highly desirable and would undoubtedly be acceptable, but it was decided to have City Manager Dimmitt make a study of the cost involved in the planting and care before acting definitely on the offer of the Lions club.

'King of Kings' Film To Be Seen Here At Church

The showing of Cecil B. De Mille's "The King of Kings" will take place at the First Methodist Church of Redwood City Monday at 7:30 p.m.

This filmization of the life of Christ enlisted the energies of the De Mille organization for a year. It included the acting of hundreds of players and the construction of sets of Bible scenes such as has never before been attempted.

For the first time a picture producer has re-created the Temple of Jerusalem, the Palace of Herod and many other historical locales of the Gospel story.

18-Day-Old R. C. Boy Dies at Family Home

George Leroy Sanchez, 18-day old son of Mr. and Mrs. Peter Sanchez, Warren and Spring streets, died Monday at his home here. Besides his mother and father, the infant is survived by seven brothers and sisters. Funeral rites were to be held today at 3 p.m. from the Layng & Tinney Funeral Parlor, with interment following at Holy Cross Cemetery, Menlo Park.

CITIZENSHIP APPLICATION BRINGS SUIT

Mrs. Arthur Petersen
Requests Annulment
On Fraud Charge

That J. Arthur Petersen, Redwood City printer and defeated candidate for third district supervisor committed pre-marital "fraud" by telling her that he was an American citizen, a Mason, and had an income of \$80 per month were charges made Monday by Mrs. Lillian Petersen in asking that her marriage to him be annulled.

The fact that Petersen was not a citizen, although he has voted for many years and served in the United States Army during the Spanish-American War, was revealed when he filed his application papers for citizenship here March 5, declaring he was born in Denmark.

Mrs. Petersen's suit, brought through Atty. John E. Manders of Redwood City, stated that Petersen was also known as J. Arthur Petersen, Johann Andrew Petersen, Janus A. Hansen and Janus A. Pederson.

The couple married October 31, 1931, in San Francisco, and separated in Redwood City October 25, 1932.

Petersen, who will come up for his naturalization examination July 27, has explained discrepancies between information on his application blank and data on his registration certificate by declaring that when he enlisted in the army the enlistment clerk made an error and he had never bothered to correct it.

Long Distance Radio Test Entered By J. C.

SAN MATEO, Mar. 15.—San Mateo Junior College's radio station, WBYU, will compete in the international distance contest sponsored by the American Radio Relay League during the week of Easter. The object of the contest is to contact stations in foreign countries.

The college radio station has been improved until the students are able to get distant stations with ease. Two stations talked with recently for the first time were in Chosen, Korea, and Lyndoch, South Australia.

'Child Bride' Found Living Near This City

McKinley Schoolgirl's
Marriage at 13
Is 'Success'

LIKES IT 'O. K.'

Couple Secure Home
In Friendly Acres
Tract Here

Oblivious to the nation-wide sensation which causes similar to hers have created, Mrs. Lillian Aragon Lopez, 15, who left the sixth grade at McKinley School to be married 15 months ago, when she was 13, looked back today upon her wedded life and pronounced it "O.K."

The buxom, brunette former child bride, who was married to Miguel ("Mike") Lopez, 33, local cement plant worker, November 29, 1935, now lives with her husband in a tiny cottage at Friendly Acres, south of Redwood City and off the Bayshore highway, where she keeps house for him, two dogs, both unnamed, and a canary, Pete.

The couple have no children.

MOTHER APPROVAL GIVEN
The girl's mother, Mrs. Amelia Aragon, 109 Oak avenue, Redwood City, gave her approval to the San Jose marriage of the couple. Santa Clara county courthouse records showed that the young bride-to-be gave her age as 16, and that the groom said he was 32.

The marriage was Lopez' second, he having been a widower. The couple spent their honeymoon at Sacramento.

"Married life is O. K.," the young girl judged with solemnity—a school girl appraising an experience which ordinarily does not come to many women until they are nearly twice her age.

4 OTHERS IN FAMILY
She has two brothers and two sisters: Eugene, 12; Walter, 5; Eleanor, 11, and Evelyn, 1. Eugene and Eleanor attend McKinley elementary school.

While she answered questions of a Tribune reporter and parried laughingly his suggestion that the unnamed dogs should be given names, say "Oscar and Fido," she looked across the fields and the marsh to the huge plant, where her husband labors.

The couple have been in their new home only a month. It is still only partially furnished. The young bride greeted reporters in a purple bathrobe, but donned a print dress and rouged and powdered her face before she would admit newsmen to the modest living room in the cottage.

Dishes from breakfast still stood on the kitchen sink. Pet stood on the kitchen sink. Pet stood on the kitchen sink. Pet stood on the kitchen sink.

Although declining to give out information unless pressed by answers, the young girl-bride of a year nodded agreement to a reporter's question as to whether she agreed that "a wife's place is in the home."

She seldom sees her McKinley classmates any more. In fact, there's only one girl there whom she cares to see.

She said she had no desire to go back to McKinley but would like to continue her education later in night school.

And while the two dogs played around her feet, she vacuumed the living room and straightened up furniture with the accustomed hand of a veteran housewife.

Cap, Gown Dress
For Graduation

By the decisive majority of 158 to 85, senior students at Sequoia high school have voted in favor of a cap-and-gown graduation this coming June. The decision of the class of 1937 is subject to approval of the high school board of trustees, before whom next Friday Principal A. C. Argo will present the recommendation of the class executive board, prepared under direction of President William Grant yesterday. Whether the caps and gowns shall be grey or navy blue will be decided at a future meeting of the class.

MENLO PARK NEWS NOTES

Jack Fisher was operated on for appendicitis in a Palo Alto hospital Tuesday evening. Late reports would indicate that he is recovering. His wife, formerly Miss Mary Maloney, and her young son are at his bedside.

Tuesday of last week Mrs. D. H. Moore gave a luncheon to the night nurses of the Palo Alto Hospital at her home on Glenwood avenue. Eight pretty girls enjoyed the delightful repast. Mrs. Moore is one of the hospital's staff.

The Menlo Park Citizens' Committee is circulating a petition for signatures to organize a water district here to include St. Patrick's Seminary and the base hospital and north to Atherton and west to Alameda de las Pulgas. Following the formation of the district, a bond election is to take place to install the water system which is to connect with the Hetch Hetchy supply. There is considerable opposition to the proposed project.

The annual St. Patrick's celebration last evening was a decided success. The Hall of the Nativity being filled to capacity with enthusiastic Irishmen who applauded the wonderful performance, staged by local talent. A goodly sum was realized.

Speaker's night, sponsored by Mayor Cooper every Thursday evening in the city hall, is becoming a popular affair. Young and old

may come and take part in debates to aid the young men in the art of public speaking. Daniel Sullivan had charge of the meeting, giving some valuable instructions to the embryo orators.

Rev. Father Dennis Bailey, who passed away at his parochial residence suddenly last Sunday, was well-known in Menlo Park, having been assistant pastor of the Church of the Nativity for several years and leaving here in 1908 to assume a similar position in San Francisco, later becoming pastor at Turlock. Eighteen years ago he went to St. Patrick's Church at Larkspur, where he had remained pastor ever since.

Father Bailey collapsed in the confessional Sunday morning and shortly passed away when removed to his residence. For a long period he was acting pastor here while the pastor, Father Lyons, was on a trip to Ireland and became quite active in his work. Father Bailey had the reputation of being one of the kindest men in the diocese, nothing being too difficult or hazardous in helping those in trouble and in distress. He was tireless in aiding others. Inheriting a small fortune from his parents' estate in Ireland, he gave it to the poor and needy. Father Bailey was beloved by his parishioners, who mourn him as a friend and pastor. He was born in Merced

but as an infant went to Ireland with his parents, receiving his early training in the schools of Cork and Dublin. Many old-timers here attended the funeral at Holy Cross Cemetery on Tuesday.

A bill is before the legislature to amend the present law prohibiting the sale of liquor within a mile and a half of universities, which includes Stanford. The amendment would change the distance to one mile. Should the bill become a law, Menlo Park would then be in the wet zone. It is believed the amendment will carry as it is backed by the southern legislators.

Charles Viano, who jumped or fell out of the Palm Hotel, Oak Grove avenue, owned by John Doyle, last week-end, later died at the Community Hospital. He was known here, having resided for some years on Oak Grove avenue. Viano dropped from the second story of the building to the pavement below. Twenty-five years ago a man fell from the same room and was found on the ground below some time afterward. He had been dead for some time. Both deaths were identical.

Isabelle Weeden Lindquist, hospital chairman of Menlo Park American Legion Auxiliary Unit No. 443, conducted the regular monthly community "sing" in wards 17 and 7 Tuesday afternoon. She was assisted by Miss Meta Kugeler of Menlo Park and Mrs. Annie Bullivant of Redwood City. Cigarettes and home-made candies were distributed to the patients and Irish songs were sung, honoring St. Patrick.

It is rumored that the West Coast Carnival will be here for a week, beginning March 30.

Members of Menlo Park American Legion Auxiliary attended the meeting of the local Legion post Wednesday night. President Dora Scott Devo presented a plaque to Commander George Condos, who received it for the post and invited the ladies to remain and have coffee and cake.

The Jimmy Tyne semi-professional show under auspices of the Legion post will be given at Central School auditorium April 8 and 9 at 8:15 p.m. Among other specialties will be "Cranberry Sauce," a musical comedy which is supported by a 25-piece orchestra.

The Bank of Italy is showing the interesting pictures they recently ran for the general public for the school children in Central School auditorium this afternoon. Mrs. Ruth Genasci, accompanied on the piano by Isabelle Weeden Lindquist, gave a number of musical readings at the P.T.A. meeting in Central School Friday afternoon.

While L. P. Snyder continues his work for a doctor's degree in business administration, he and Mrs. Snyder have moved from their Menlo Park residence to make their home at 648 El Camino Real, Redwood City. Mr. Snyder, for-

mer San Francisco advertising man, gave up his position to return to Stanford University and complete work for the Ph.D. The Snyder home in Menlo Park was at 860 Cambridge avenue.

Atherton, was guest of honor at a "stork luncheon" party in San Francisco last week. Among the guests were Mrs. Peter Bush, Mrs. E. J. Burkard and Mrs. Tillie Harris of Menlo Park, and Miss Pearl Shirk of Palo Alto.

HAGANNAMED NEW MANAGER OF BANK HERE

Assistant Succeeds
J. Elmer Morrish
In Local Post

J. P. Hagan, assistant manager of the Redwood City branch of the Bank of America, has been appointed manager to succeed J. Elmer Morrish, who resigned last week, it was announced today by L. M. Giannini, president.

For ten years prior to his transfer here last fall, Hagan was, successively, manager of the Twentieth and Irving and the Harbor branches of the Bank of America in San Francisco.

The new Redwood City manager has been engaged in banking for the past 20 years. After four years' experience with banks in San Francisco and Fresno, Hagan joined the Bank of Italy, predecessor of the Bank of America, in 1920 as a savings teller. In 1926 he became an assistant cashier and a year later was chosen manager of the bank's new branch at Twentieth avenue and Irving street.

LODGE WORKER

Hagan was born and educated in San Francisco, being a graduate of Heald's Business College. A former president of the Native Sons of the Golden West National Parlor in San Francisco, he is now

WINS NEW POST

J. P. Hagan, assistant manager of the Redwood City Branch of the Bank of America, today became manager succeeding J. Elmer Morrish, who resigned last week to assume the vice presidency of the First National Bank of San Mateo County.

a member of the Redwood City parlor of that organization, of the Redwood City Kiwanis Club and of the Redwood City Aerie of the Fraternal Order of Eagles. While a resident of San Francisco, he was president of the Sunset Community Club and a member of the board of governors of the San Francisco chapter, American Institute of Banking.

Hagan is married and has one daughter, Elaine, a student at Lincoln school. Their home is at 1205 Hopkins avenue.

In discussing his new assignment Hagan said:

"Since coming to Redwood City I have been impressed with the cordial and friendly atmosphere here. It is a home city and practically everyone is a home owner or ambitious to be one. In this connection I am desirous of as-

sisting those who wish to purchase or build a home to obtain a loan through us under the FHA plan of our Bank of America time plan.

"Redwood City, as I see it, is in need of additional housing facilities to accommodate the influx of population that is daily arriving here. Even during the winter hardly a home was available for purchase or rent. Our officers and personnel will be pleased to discuss with Redwood City residents at any time, the procedure necessary to plan or buy a home. We will also be pleased to cooperate with builders and real estate dealers in taking applications for loans for their clients.

"My family and I wish to thank the Redwood City people for the gracious manner in which we have been received."

Morrish resigned to become vice-president of the First National Bank of San Mateo County.

School Looted Of Stamps, \$18 At Burlingame

BURLINGAME, Mar. 15—Thoroughly ransacking the building, a burglar took \$18 and a quantity of stamps from Burlingame High School over the week-end.

Exact time of the burglary is unknown, discovery of the occurrence not being made until 5 p.m. yesterday, when Davis F. Ohlson, a teacher, went into the school to his office.

From the storeroom from which the entry was made to secure a pair of pliers and a hammer, the burglar went down the hall to the "co-operative" room, where he broke the glass. The lock on the inside was turned with the pliers. Inside the room the safe had been rifled of \$18 in silver.

Fifty pennies were not taken.

Higher Wages, Shorter Hours Will Be Asked

Faalty to Federation Pledged at Meeting In Local Hall

One hundred thirty-five Redwood City tannery workers were members today of the Amalgamated Meat Cutters and Butchers of North America after swearing allegiance to American Federation of Labor principles Monday night in the tobacco-smoke hazy Odd Fellows' Hall.

With ceremonies that at times approximated fraternity rites, the workers were "initiated" into the county AFL unit by Joseph Y. Henderson, general organizer.

Their oath saw them sworn to the principles of a union-shop, a 40-hour week, collective bargaining, high minimum wage and the determination that the laboring class through organization must do away with poverty and class distinction.

Standing, with their hands placed over their hearts, the men took the oath of allegiance as administered by Henderson, stern-voiced disciplinarian who ruled the session with an iron hand and brooked no disturbance in the procedure.

The meeting began on a strictly "pay as you go basis," Henderson insisting that the men pay their \$6.50 initiation fee before they assumed the obligations imposed by their oath of allegiance.

SESSION PROVES ORDERLY
The tentative contract which the union leaders will present to heads of the S. H. Frank and Company and Beeger Tanning Company dur-

STELLAR TRIO IN COMEDY

Three of the screen's favorite stars, Robert Montgomery, William Powell and Joan Crawford, are brought together on the screen for the first time in "The Last of Mrs. Cheyney," the brilliant comedy success coming to the Sequoia Theatre for three days starting Sunday. On the same program is "You Live Only Once," starring Sylvia Sydney and Henry Fonda.

ing the next week and will attempt to have signed before March 23 was read to the assemblage of laboring men.

The contract, besides setting up "fair and equitable working conditions" and insisting upon union shops and an eventual 40-hour week, will establish regular union holidays and bar "quickie strikes" and individual bargaining.

"However," Henderson said, "if we only establish the principle of collective bargaining through this union, we will have won a great victory."

STRIKE HARDLY MENTIONED

The word strike—which has struck terror into the hearts of both workers and employers impoverished by the epidemic of walkouts over the country—crept into the meeting but seldom.

Henderson explained that the contract will stipulate that there be no cessation of work—that there will be no strikes—while agreements are in negotiation, and that any agreement reached after expiration date of the contract with the employers shall be retroactive to the date of expiration of the contract.

But then he gave one blunt warning.

"If an employer gets tough and wants to break the contract, however, we will give him the biggest slap in the face he has ever had in his life," he declared.

EIGHT-MAN COMMITTEE

Henderson appointed an eight-man conference committee to meet with the executive committee of

state and county officers of the association to thrash out what demands the union intends to make to Henry Beeger and Frank Marcus, the latter head of the S. H. Frank firm.

Closing the session, representatives from each department of the two tanneries presented their demands for wage increase.

The demands ranged from 20 per cent to 35 per cent, and on an average, if granted, would probably raise the average over \$4.50 minimum level which Henderson said the union would fight to establish.

Several of the workers said they preferred to work more than the 40-hour week if the shorter working week meant a lower total wage.

ANOTHER MEET SET

Henderson answered, with a touch of grim humor, that the union did not mean to gain lower wages for the workers through arbitration with the employers.

He announced another meeting of the county unit No. 516 of the butchers' union would be held here next Monday.

HEARS OF KIN'S DEATH

BURLINGAME, March 16.—Mrs. J. R. Hooker, Burlingame, has received word that her nephew, Augustus P. Dunham, 27, son of Mr. and Mrs. Robert J. Dunham of Chicago, was killed Friday in an automobile accident near Canaan, Connecticut.

William Harris, who will be one of the Boston Bees' "rookie" hurlers, will be 37 years old in June.

Heavy Demand For Chevrolets Now Being Met

Chevrolet dealers throughout the nation are again enjoying the tremendous sales activity which immediately followed the greatest new car announcement in Chevrolet history.

The advent of the recent strike situation served to curtail business, since automobiles were not available; however, the strike having been settled, the factories are again running at top speed, and production is at its peak, with dealers receiving sufficient automobiles to take care of the demand.

The 1937 Chevrolet is enjoying the greatest public acceptance in Chevrolet history, and although the 1936 Chevrolet established an unprecedented sales record, sales to date indicate that the 1937 Chevrolet will set an all time high, according to Al Davies, local dealer.

Such tremendous new car volume serves to create a problem with regard to used cars, and according to Davies, used car prices have been slashed to below market in order to make way for the steady flow of trade-ins on the new 1937 Chevrolet.

Famous Chevrolet Red OK Tag Used Cars can now be purchased at savings of from \$50 to \$100, stocks are complete, and all makes and models are available. Davies urges all to buy now while such savings are possible.

In recent years Virginia has supplied from 30 to 50 per cent of the apple crop export from this country.

Council Balks Latest Move

Redwood City operators of pin ball or marble machines had one more respite today from the time—if it ever comes—when the devices will be banned from the city.

Long a foe of the admittedly chiseling devices, Councilman James M. Eva Monday night at city council meeting moved again to rule them out of the city.

After reading a recent opinion of Atty. Gen. U. S. Webb that pin ball games violate the state law, and after considerable discussion, Eva moved that the chief of police be instructed to enforce the law as interpreted by Attorney Webb, with notice given operators that such enforcement would become effective April 1.

BALKING MOTION CARRIES

Councilman Louis Christensen offered the second, but before a vote could be called a motion to table Eva's motion was made by Councilman Robert N. Jones with second of Evans A. Fletcher, and it carried with votes of Councilmen George McNulty and William Hohn. Mayor Paul McCarthy, Eva and Christensen voted against delaying action on Eva's motion.

Menlo College Head Feted on Anniversary

To celebrate the 10th anniversary of Lowry S. Howard's presidency of the Menlo School and Junior College, 52 members of the faculty and their wives gathered Monday evening for a dinner in Mr. Howard's honor.

Speakers were Dr. W. M. Proctor of the Stanford School of Education and a member of the Menlo School and Junior College board of trustees for the past 10 years; and three faculty members—Col. Frank Clason Adams, E. Hutson Hart and Walter E. Todd.

Mr. Howard related his experience in studying the work and progress of experimental schools.

Full Time Traffic Secretary Urged By County Legion

San Mateo County American Legionnaires were on record today as favoring the recommendation that a full-time county traffic secretary be named, but the idea seemed headed for a strong dispute.

Supervisor James S. James, for one, was outspokenly hesitant about approving the proposal, which was made originally by the Citizens' Committee on Traffic Safety.

Asked to explain what the duties of the secretary would be, James said: "That's exactly what bothers me. So far, I've been unable to figure

out what the purpose would be in creating such an office, outside of to run up county expenses.

"Somebody will have to clarify the matter before the supervisors can be expected to take a stand."

The American Legion letter, addressed to the board and signed by C. H. Whitney, commander of the 26th District, said, in part:

"... The 26th District American Legion opines that heretofore moneys have been appropriated in greater sums than will be required for this program, and in which the returns have been far less than from a worthy cause of saving lives.

"If fatalities can be reduced, the cost of operating the county coroner's office will be reduced, and will offset the salary of the secretary with a saving to the county."

WPA Commodities Still Available

BURLINGAME, Mar. 15—Good news for more than 2200 San Mateo county residents was the announcement today from San Jose headquarters that the surplus commodity division of the WPA will not be discontinued, but will go on until further notice.

H. G. Washington, county commodity superintendent, said he received the announcement this morning and has been ordered to continue to furnish all food and clothing to 700 families on relief under the WPA, the county welfare society, and the state relief administration.

'REST HOME' INQUIRY SET BY COUNCIL

Setting a special meeting for next Monday at 8 p.m. for the purpose, the city council voted Monday to subpoena interested parties to learn if there is truth to accusations that Mrs. Mabel W. Appleman is operating a rest home at 35 Hudson street. Operation of such a place would be in violation of city zoning ordinances, it was pointed out.

To be called before the council will be Mrs. Appleman; Al Lacey, who sold the home to her for George Kneese, and Peter Klisch,

local plumber who asserted, without a permit, installed plumbing in the home to equip it for use other than as a residence.

A delegation of residents of the district appeared before the council in regard to the matter. Mrs. A. C. Argo asserted that a patient had been taken in only Sunday, and that there was much evidence that the house was more than an ordinary residence.

Her charges were made after Health Inspector Drathman had reported on an inspection he made of the premises last Thursday. He asserted that the only patient in the place was an elderly bedridden woman, mother of Mrs. Appleman, with whom two nurses were kept. He asserted there were no hospital

Rowell, Olney Talks. Awaited Tomorrow

Chester Rowell, San Francisco newspaper editor, and Judge Olney, San Francisco jurist, will speak on proposed changes in the supreme court at a public meeting of Pro-America in the Burlingame High School auditorium, tomorrow evening, March 17, at 8 o'clock. Bradford M. Melvin, San Mateo publisher and attorney, will preside over the meeting.

beds in the house, and that Mrs. Appleman assured him she was operating no rest home and would be glad to have him or neighbors inspect the house at any time.

COMEDIANS TEAMED IN FILM

The screen's craziest comedians, Jack Benny, Martha Raye, George Burns, Grace Allen and Mary Boland are in the fast moving, hilarious comedy feature, "College Holiday," are on a twin hit program with a first run feature, "White Legion," thrilling drama of heroism of a doctor in the yellow fever-infested Panama Canal area when it was one life against a million. Starring Ian Keith and Tala Birell, now playing at the Redwood Theatre.

Dr. Brown Holds Final Meeting With Teachers

Although his final meeting with teachers of Sequoia high school to outline methods of improving the health program at the school was conducted last week by Dr. Walter H. Brown, director of the Stanford University health service, work begun by the teachers under his direction will no longer be able to confer with the educators because he is to enjoy a leave of absence from the university during the next quarter, beginning March 29.

Progress of the 10 meetings conducted by Dr. Brown in the past 10 weeks was noted this week, with the instructors of biology and home arts and applied sciences being designated to make a further study of the problem of health education—"what to teach and when to teach it"—and report their findings to the group as a whole.

Among the teachers who have been taking part in the health study are Miss Mildred Brown, director of girls' physical education; Frank Griffin, director of boys' physical education; Mrs. Anna Bigler, Lawrence E. Hatch, Miss Mildred Proctor, James Eva, Miss Julianne Walters, vice principal; Donald Bogie, dean of boys; Miss Camilla Low, dean of girls; Mrs. Adeline Overton, school nurse, and A. C. Argo, principal.

Easterners Send Congratulations On Radio Work

Recognition by and congratulated from an eastern school—the Mound Junior High of Columbus, O.—have been received by Donald Cherry, Sequoia high school instructor, for his work in encouraging use of the radio in schools for the best benefit of the students.

Cherry, who advocates the use of the radio in classrooms as well as for "home-listening," each week compiles for the Sequoia faculty a bulletin, listing the programs of the week of particular value to teachers for educational purposes. Among those suggested are the Damrosch hour, symphony concert, the American School of the Air, and the NBC music appreciation hour. Programs for "home listening" are also suggested.

Recent purchase of a small portable radio that may be taken from one classroom to another has given increased opportunity for the use of the radio in education at Sequoia.

Steinmetz Body Recovered Here Off Dumbarton

Crushing a wife's forlorn hope that her husband was still alive, despite strong clues that he had committed suicide, the body of Sam Steinmetz, 24-year-old San Mateo telephone company employee who was married in Redwood City two months ago, was recovered Tuesday near Dumbarton bridge.

The body was located by sheriff's officers grappling underneath the place on the span from which footprints on the railing indicated the man had jumped into the bay, leaving his parked automobile with the radio playing.

Undersheriff Lawrence Nieri, assisted by Deputies Adolph Waldeck and Dick Arnold, caught the body on their first cast with the grappling irons. They were working from a small skiff, the water being too shallow at low tide to permit them to grapple from Nieri's 38-foot launch, which they used to reach the scene.

The body, not badly decomposed, was brought in at noon to the Redwood City yacht harbor. Pending arrangements, it was left at the Laying & Tinney Mortuary.

The body was clothed, except that Steinmetz had left his jacket and his cap in the car. His shirt sleeves were rolled up.

Mrs. Marion Lang Steinmetz had still grimly insisted that her husband had had no reason to take his life and would still turn up alive.

In the Matter of the Guardianship of the Estate of BERTHA MCGREW, an insane person. Notice is hereby given that the undersigned, Guardian of the Estate of Bertha McGrew, an insane person, will sell at private sale to the highest bidder for cash, and subject to confirmation by said Superior Court, on Monday, the 5th day of April, 1937, or after said day, all the right, title and interest which the said estate of Bertha McGrew, an insane person, has in and to the real property hereinafter described, being an undivided one-half interest, in certain lots of land situated, lying and being in the County of San Mateo, State of California, particularly described as follows, to-wit:

Lots numbered Five (5) and Six (6) in Block numbered Four (4) as shown on that certain map entitled "North Fair Oaks," situated in San Mateo County, filed in the office of the County Recorder of San Mateo County August 8, 1907 in Book 5 of Maps at page 21.

Bids or offers are invited for said real property and must be in writing and will be received at the law offices of Mahan & Mahan, Rooms 511-12-13 First National Bank Building, Eureka, California, or may be filed with the Clerk of said Superior Court, or delivered to said Guardian personally, at any time after the first publication of this notice and before the making of said sale.

Terms and Conditions of Sale: Cash in lawful money of the United States of America, ten (10%) per cent of the amount bid to accompany the bid, balance to be paid on confirmation of sale by the Court.

Dated: March 17th, 1937.
GEORGE MCGREW,
Guardian of the Estate of Bertha McGrew, an Insane Person.

the "Standard" NEO-ANGLE BATH

is the symbol of the modern home

NO WOMEN in the world more quickly recognize new style, new beauty and new values than our own American women. Thanks to their discriminating judgment America has a new, sensational bath—the "Standard" Neo-Angle—and thousands of families are enjoying a new bathing thrill.

You really cannot appreciate all the exclusive features of this square bath until you see it. It has a full-size, roomy bathing compartment with convenient seats in two opposite corners that provide every type of bathing.

Your Master Plumber can tell you the cost and recommend the "Standard" Plumbing Fixtures that match. He can furnish the skilled workmanship so essential to satisfactory service and health protection.

Call your Master Plumber today and find out how little it will cost to have the Neo-Angle in your home.

"Life is too precious to endanger it by entrusting Plumbing to hands other than those best qualified to assure Health Protection—the Master Plumber."

Suspended Terms Given to Women In 'Bookie' Raid

BURLINGAME, Mar. 17.—Chamax to Burlingame's most sensational gambling case in recent years was written in city court today as two women pleaded guilty to charges of operating a "book-making, pool-selling joint" in a fashionable apartment house here.

Arrested in the first "bookie joint" raid in Burlingame's history, Mrs. Ethel Whitman, 33, and Mrs. Donna Lee, 27, both residents at the apartment house at 245 Myrtle road, were given 180 days' suspended sentences by Judge R. L. Stone.

THREE HURT IN CRASH

SAN MATEO, Mar. 15.—Three persons were cut and bruised in a terrific collision yesterday south of San Mateo. Kenneth Baccioeco, 16, San Francisco, driver of one car, escaped without a scratch although his machine turned over.

Injured were Ruth and Bertha Swoboda, and Finlay MacDonald, all of San Francisco.

Muller—Horses. (Handsome sketches of many horses).

Olton—Ski Tracks. (Complete picture-story of a new American sport).

Quiett—Pay Dirt. (Vivid close-up of American gold mines and miners).

Parker—Not So Deep As a Well. (Collected poems).

Roeder—Catherine de' Medici.

Rombauer—The Joy of Cooking.

Swinerton—Autobiography.

Schreiber—Portraits and Self-portraits (forty leading authors of today).

Tangerman—Whittling and Wood-carving (for those who like to shape wood with tools).

Van Loon—The Story of the Bible.

Vollmer—Police and Modern Society (plain talk based on practical experience).

This campaign is made possible through the co-operation of the Gas Appliance Society of California, your dealer, and distributors of the following makes of gas ranges:

BUCK'S • CHAMBERS CONTINENTAL • ESTATE DETROIT STAR • GAFFERS & SATTLER • KELVINATOR MAGIC CHIEF • SPARK OCCIDENTAL • NORGE TAPPAN • UNIVERSAL WEDGEWOOD

The "Save \$8 Offer" applies on Kitchen Heater Ranges of \$129.50 or more; straight Gas Ranges of \$99.50 or more

THE amazing newness of the 1937 Gas Ranges now being offered with a money saving opportunity for a limited time, is more than outward appearance of style and color.

More efficient burners both in the ovens and range top permit closer adjustment for simmer or lower temperature cooking that will cut down your gas bill.

Food bills are cut through more even heat control and improved oven insulation

which reduces meat shrinkage. Less water is needed in cooking vegetables, less basting required of roasts resulting in more flavorful foods, richer in vitamins.

Imagine, too, broiling steaks or chops without smoking up the kitchen.

See the amazing new 1937 Gas Ranges today. Note the many additional new and improved features. Save \$8 by buying right by buying now, while the special money saving offer is in effect.
